Scott Gerrish points out details of Brimfield landscape and damage from the 2011 tornado in Brimfield State Forest.

Our May 16th “Tornado Hike”

More than 20 folks joined us for a guided walk through tornado-damaged land, led by Scott Gerrish, on the property of Frank and Lucy Ruane and Brimfield State Forest.

See Ed Hood’s comments on “the power of nature” on page 2.

Thank you to all who joined us for this fascinating event!
